AFAC’s Sponsor Purchased Food (SPF) initiative enables your group to sponsor healthy food for AFAC families and prepare that food for distribution. With SPF, volunteering, fundraising, and team-building come together to help feed our neighbors in need. Whether you’re sponsoring 200 pounds of healthy food or 25,000, we need your team to join our team!

**AFAC’s Sponsor Purchased Food Program**

**Here’s How It Works**

1. Your company provides the people and dollars to purchase bulk dry goods or produce at our cost. Here are some examples:

   - **Produce**: $0.40/pound on average
   - **Rice**: $0.50/pound
   - **Oatmeal**: $0.70/pound
   - **Beans**: $0.90/pound

   A group of 30 people can bag 3,000 pounds of dry goods in an hour.

2. Schedule your event and we can bring the SPF to your team or we can host your team at our warehouse. If you choose to host an event at your location, there will be a delivery surcharge and you will need:
   - **Tables**: Generally, eight people can work around an 8’ table.
   - **Electricity**: The hot sealers for dry goods bagging will need electricity. We can provide extension cords if needed.

3. Know your efforts have helped the 2,300 client families that AFAC serves each week!

   We can work with different budgets and schedules.

   For more information, email or give us a call at jolie.smith@afac.org or 703-845-8486.
