

# OFFSITE DISTRIBUTIONS

## **General process**

Occasionally, we have volunteers help out at our offsite locations. When you sign up on the online calendar, the location of the offsite should be in the notes section of the volunteer slot. We will also send an email reminder with more information about the offsite (who the coordinator is, any parking information, location of the distribution). Volunteers should go directly to the offsite location at the appointed time (do NOT come to AFAC first) and look for the distribution coordinator for more instructions. Offsite volunteer hours are added at the end of the month, so volunteers still get credit for going to off sites.
