

# AFAC FOOD DRIVES

## YOUR DONATION MATTERS

AFAC distributes over 80,000 pounds of food to more than 2,900 families every week. 40% of that food is donated to AFAC from food drives and grocery store donations.

## FOOD DRIVE FACTS

Food drives can be done within your own neighborhood, friend groups, sports team, faith community, workplace, etc. You can even ask your local grocery store if you can host a storefront food drive!

AFAC faces a significant drop in food donations every year after December. Food donations after this year's holiday season have dropped by 43.74%

Food donations are tax deductible! Donated food is valued at \$1.79 per pound.
